OCCOL ARTISAN

INTRO- DUCTION

At PT. Occol Artisan Indonesia, we create handcrafted bathware from composite stone—designed to bring calm, comfort, and refined aesthetics to any space.

We are committed to crafting exquisite, handcrafted composite stone bathware that redefines everyday living. Every piece in our collection is meticulously shaped by our experienced artisans, whose passion and dedication transform premium raw materials into enduring works of art.

Our ultimate goal is to transform your bathroom into a sanctuary of calm and serenity.

MEET OUR TEAM

DEWANTO

Lead Designer and Craftsman

With over a decade of experience, Dewanto transforms design concepts into precise, elegant prototypes. His creations have enhanced homes in Australia, the Netherlands, Spain, and across Indonesia, bringing serenity to every bathing experience through meticulous attention to detail and unwavering dedication.

PUTRA

Craftsman

Dewanto's long-time friend and creative partner, Putra, has mastered the art of producing composite natural stone bathware. Together, their collaboration combines artistry and ingenuity, ensuring every piece reflects both skill and vision.

AGUNG

Manager

A retired Air Force firefighter, Agung brings discipline, focus, and precision to Occol Artisan Indonesia. He oversees workshop operations, guaranteeing a safe and efficient environment for our artisans, while managing material inventory and upholding strict quality standards.

OUR FOUNDER

DR. EMA NURMAYA

Founder

"Greetings from Yogyakarta, Indonesia. I am Dr. Ema Nurmaya, a lecturer in the Faculty of Economics and Business, as well as a motivator and trainer for small entrepreneurs. My journey with local artisans inspired me to establish Occol Artisan Indonesia, a brand dedicated to showcasing finely crafted composite stone bathware. With deep respect for craftsmanship and art, each piece we create reflects meticulous skill, responsibility, and the sincerity of our artisans. Welcome to Occol Artisan Indonesia"

OCCOL ARTISAN

VISION

To be recognized as a trusted, dedicated, and integrity-driven creator of handmade bathware.

MISSION

To craft exquisite stone bathware shaped by the skilled hands and sincere hearts of our artisans —transforming everyday bathing into a sanctuary of calm, serenity, and refined comfort.

COMPANY VALUES

Commitment to Product Excellence

We devote ourselves to crafting stone bathware that unites refined aesthetics with dependable quality. Each creation carries thoughtful design, artisan precision, and a purpose—to elevate your living space with calm and comfort.

Empowerment of Our Craftsmen

Our artisans are at the heart of our identity. We respect their skills, support their growth, and ensure fair conditions that honor their contribution. Their dedication and craftsmanship give life and soul to every piece we produce.

Responsibility to the Environment

We work with mindful intention toward our surroundings. From responsible workshop placement to thoughtful production practices, we prioritize safety, environmental balance, and long-term sustainability.

OCCOL ARTISAN

OUR STYLE

Handcrafted Excellence

Every piece is shaped by skilled artisans with years of experience, ensuring precision, durability, and artistic beauty.

Refined Aesthetic Design

Timeless, elegant forms inspired by natural textures and serene living spaces.

Premium Materials

We use high-quality composite stone, chosen for strength, tactile comfort, and long-term durability.

Customizable Designs

We accept custom orders to meet specific aesthetic and functional needs for residential and commercial projects.

Our products include, but not limited to:

- Bathtubs
- Basins
- Pedestals
- Stools / Bath Furniture

Each piece is shaped with meticulous craftsmanship, resulting in elegant, enduring works of functional art suitable for homes, villas, spas, hotels, and resorts.

OUR WORKSHOP

Our workshop is thoughtfully situated on a 1,000 m² plot, with a dedicated building covering 400 m². This strategic location is away from residential areas, minimizing disturbance to the community.

The facility is designed with effective ventilation to promote a safe and healthy workspace for our artisans.

Additionally, we prioritize responsible collection and management of materials to reduce waste and support sustainability in our craft.
